

Scholarship Essay Writing Tips

Personal History

- Describe your background, include important life experiences.
- Describe unusual circumstances. Have you faced specific challenges or hardships? If so:
 - How did you overcome these challenges?
 - What was the impact on your goals and aspirations?
 - What did you learn from the experiences?

Educational Goals

- Your major area of study.
- Why are you interested in your field of study?
- What are your future educational goals?

Career and Life Goals

- What are your plans for the future?
- How will you give back to your community?
- How will this scholarship assist you in accomplishing your goals?

Highlight your Leadership Qualities

- Are you involved in community activities?
- Describe the activity and the impact your involvement has had on you and those with whom you've worked.

School Activities and Experiences

- Describe activities such as clubs, honors, and awards.
- Describe employment or volunteer work that demonstrates your motivation, achievement, leadership and commitment to succeed.

Watch for grammatical errors and misspelled words.
